December 17, 2012

The Town of West Seneca and the West Seneca Soccer Club entered into a lease agreement, dated April 20, 1999. The Town, using the lease payment paid down principal and interest on obligations incurred from the construction of the Soccer Park. The Soccer Club has been diligent in meeting its obligations and a balance of \$17,392 remained as of January 1, 2012. In settlement of the obligation due please credit the Soccer Club \$7,392 which is the approximate value of miscellaneous equipment owned by the club and acquired by the town at the time of the town's acquisition of the soccer park, leaving a balance of \$10,000 due the town.

Upon payment of the \$10,000, I respectfully request the Town Board absolve the West Seneca Soccer Club of any future debt payments associated with the original lease agreement dated April 20, 1999.
