Re: 1600 North America Dr- Motorcycle Safety School

To All:

As you are aware, this project was before the Town Board in 2014 for a Restricted Use Permit for their operations in the Industrial Park. The Restricted use permit was granted with the following conditions:

- 1- Their operation was to start at 8:00 am

They are requesting their operation be permitted to start at 7:15 am. There are a couple factors to consider:

- 1- This project is located within the Town of West Seneca Industrial Park.
- 2- The Industrial Park is a 24 hr / 7 day a week operation
- 3- This office has not received any complaints about the Motorcycle Safety School since the operation started

They are requesting a modification to their Restricted Use Permit to allow earlier start time. Please see attached letter from applicant.

Jeffrey Schieber
