Town of West Seneca

RE: Equipment Purchase – Sewer Camera and Accessories

Honorable Board Members:

Please authorize the purchase of a new sewer camera and associated accessories in the amount of \$42,655.00 from Pierce Equipment Company. The Town utilizes CUES cameras, software and accessories and therefore it is necessary that the new camera and accessories is purchased from CUES to be compatible with current Town equipment. Pierce Equipment Company is the sole distributor in our area of CUES equipment.

Funding for this was included in this year's budget under budget line 03.8100.1207.

Very truly yours,

Richard B. Henry III, P.E.
Town Engineer
