Dear Town Board Members,

With the recent passing of long time owner (Gus) , the family will continue ownership of the restaurant. We would like your consideration in allowing us to install an LED message center on our existing sign. We feel that this will help us compete with other restaurants and retain a solid presence in the town. We will comply with any town ordinance regarding the proper use of these signs.

Sincerely,

A handwritten signature in black ink, consisting of several overlapping loops and a trailing flourish on the right side.
