**Re: Croglia Estates
ECWA Required Resolution for additional Hydrants**

Honorable Board Members,

As part of the proposed Croglia Estates Subdivision located south of Chancellor Road in Princeton Estates, Five additional hydrant will be added. This is in an Erie County Water Authority direct service area and the Fire District currently pays the Erie County Water Authority a fee of \$229.08 per hydrant per year for exercising the valves on these hydrants and future hydrant replacement as necessary for their proper maintenance and use. The ECWA requires that when hydrants are added that the Town Board acknowledges their addition through the approval of a resolution. Please consider and approve the resolution below:

“The Town Board of the Town of West Seneca acknowledges the addition of 5 new hydrants at the proposed Croglia Estates Subdivision. Further the Town acknowledges on behalf of the fire district and resolves to pay for the Hydrant Fee that will be charged by the Erie County Water Authority (ECWA) in the amount of \$229.08 per hydrant per year in this ECWA direct service area”

Very truly yours,

TO WHOM IT MAY CONCERN;

We are seeking a resolution from the West Seneca Town Board. This resolution states that the Town of West Seneca will pay for the annual maintenance fees regarding five fire hydrants that will be added in the new subdivision "Croglio Estates". This subdivision to be located south of Chancellor Rd. in Princeton Estates.

Thank you,

Vince Croglio
