Supervisor & Council Members,

The Kiwanis Club of West Seneca would like to request use of town hall grounds for our annual arts and crafts show on July 12-13, 2014. This event has been a huge success that raises funds for kid's programs and scholarships in town. We are also proud that many of the vendors are West Seneca residents, and they have the opportunity to showcase their work within their community. Last year was especially exciting because it was the first time many residents got to experience the newly installed Veteran's Park, and we hope to show it off to more residents this year.

We have in the past also appreciated the town grounds department supplying a few extra garbage cans, which we would welcome that support this year as well.

Thank you in advance. We look forward to continuing to serve our community together.

Thank you,

Daniel Nagy
