JOHN M. RUSINSKI

May 9, 2013

Honorable Town Board  
Town of West Seneca

**Re: Police Contract Bids**

Four separate prime contracts were bid for the Police Expansion Project on May 7, 2013. We have referenced and scoped the low bid Prime contractors for contracts MC-1, EC-1, PC-1 and recommend that the Town proceed forward with the following:

MC-1 – Tri R Mechanical Services, Inc. @ \$149,891 – West Seneca, NY

PC-1 – MLP Plumbing & Mechanical, Inc. @ \$61,800 – Cheektowaga, NY

EC-1 – South Buffalo Electric, Inc. @ \$171, 738 and Alternate E1 @ \$4,982 – Buffalo, NY

A separate agenda item will be issued for the General Contract as we continue to check references and de-scope the contractor, however cumulative bids for all 4 contracts fall within the Engineer's Estimate for the project. Monies for this project will be paid for with various Town Grants and bonding that was approved earlier this year.

Sincerely,

A handwritten signature in black ink, appearing to read "S. R. Tanner", is written over the word "Sincerely,".

Steven R. Tanner, P.E.

Town Engineer
