RE: Consideration of Architectural Review Standards Committee

Dear Honorable Town Board Members:

Kindly consider a resolution to form a committee whose purpose is to formulate architectural standards in the town of West Seneca.

This committee would forward their recommendations for approval. These standards would be applicable for new construction, remodeling and conversion of structures.

I recommend the composition of this committee to include the Town Supervisor or her designee, two residents, two business owners, the Town Attorney and me.

Sincerely yours,

John A. Gullo
Code Enforcement Officer
