Honorable Town Board
Town of West Seneca

**Re: 2015 Phase 4 Sanitary Sewer Rehabilitation Contract
Recommendation of Award**

Honorable Board Members,

The bids for the above referenced project were opened on July 21, 2015. A copy of our bid tabulation is enclosed for your information and review.

The low bidder is United Survey, Inc. from Cleveland, Ohio. We have previous working experience with them and have discussed their bid with them. We feel their bid is a true representation of costs to complete this project and that United Survey, Inc. is qualified to complete the Contract.

We recommend that the Town Board pass a resolution "**Accepting the Bid received from United Survey, Inc. for a total amount of \$3,290,100.00, and awarding the Contract to them**".

Please note that while United Survey, Inc. was the sole bidder on this project, it is specialty work for which few contractors in the region are equipped or qualified to do. Their bid is in line with market value for these contracts.

Very truly yours,

A handwritten signature in black ink that reads "Steven R. Tanner".

Steven R. Tanner, P.E.
Town Engineer

Handwritten initials "KB for" in black ink.
