Honorable Town Board
Town of West Seneca

**Re: Award of Contract
Stephenson Street Road Reconstruction**

Honorable Board Members,

On July 8, 2014, we received four (4) separate bids for the reconstruction of Stephenson Street. The project includes full depth road reconstruction and replacement of the water distribution and drainage structures. Bids ranged from a low of \$599,795 to a high of \$725,161.00.

The low bidder was Nova Site Company from West Seneca, NY with a bid amount of \$599,795. The Town has worked with Nova Site Company in the past and would look forward to working with them again. They are comfortable with their bid prices and have indicated that they have the equipment and personnel to complete the work.

We recommend that the Town Board pass a resolution "**Accepting the Base Bid received from Nova Site Company. for the Reconstruction of Stephenson Street, and awarding the Contract to them**".

Please note this contract will be funded as a capital improvement project via a previously approved Bond Resolution. Once the project has been awarded, we will provide the Contractor with the Notice of Award and copies of the agreement for their execution. When returned, the executed agreements will be sent to the Board for the signature of the Supervisor.

Very truly yours,

A handwritten signature in black ink, appearing to read "D. Johnson".
