Jordan Kamholz stated he operates a landscape construction business with his brother behind his home at 5641 Seneca Street and has been in business since 2004. There is movement in and out of the property each day during the summer with six employees during peak season. Mr. Kamholz would like to demolish the old building currently being used and construct a slightly larger building for storage of equipment and office space. Variances were obtained from the Zoning Board of Appeals and he will make some property improvements including addition of landscape screening and partially paving the lot up to the first bay.

Councilman Hanley questioned what is done with construction debris and Mr. Kamholz responded construction debris goes to a C&D facility while biodegradable yard waste and topsoil is returned to their site and repurposed. Approximately 100 yards of topsoil is stored on-site.

**WHEREAS**, upon such review the Town Board has not identified any potentially significant adverse environmental impacts associated with the project, has determined that no Environmental Impact Statement is necessary and that a Negative Declaration is therefore appropriate; and

**WHEREAS**, the Planning Board reviewed the project on February 12, 2015 and adopted a resolution recommending approval of the requested rezoning to allow for the project; and

**WHEREAS**, pursuant to the Town Code, the Town Board further finds that granting a rezoning of the subject property to allow for the project is appropriate for the location and will not adversely affect surrounding properties;

**THEREFORE, BE IT RESOLVED THAT** pursuant to 6 NYCRR 617.7(a), the Town Board does hereby adopt a Negative Declaration with respect to the Project; and

**BE IT FURTHER RESOLVED THAT** the Town Board hereby adopts Local Law No. 3 of 2015 changing the zoning classification of the subject property from C-1 to C-2.

Kristen Stockmaster stated she resides at 245 Northwood Avenue and is the sole owner/operator of Nail Designs by Kristen which was established in July 2013. Ms. Stockmaster had the opportunity to move to her father's home and operate her business from that location, but a rezoning is necessary for her home occupation. The building is equipped with a separate bathroom and will need to have a wall added as well as a handicap ramp. Ms. Stockmaster has one client at a time, but can comfortably fit seven cars in the driveway.

**5-B LEGAL ITEMS**

2. (continued)

Councilman Hart questioned if there are any neighbor concerns. Ms. Stockmaster responded that one neighbor was concerned about sidewalks and what other type of business could operate at this location if the property is sold. The Planning Board addressed these concerns and suggested a special permit be added subject to conditions that the home occupation is only for a nail salon and the business take place within the existing structures.

Town Attorney John Fenz stated if the nail salon use ceases for one year, the special permit is removed.

Code Enforcement Officer John Gullo stated that if the rezoning and special permit is approved, Ms. Stockmaster will need to get a building permit to install fire protection equipment and a handicap ramp and will be subject to a fire inspection every three years.

Supervisor Meegan questioned if there will be a sign advertising the business. Ms. Stockmaster responded she has a 2' x 2' sign she would like to display and noted her car also has advertising on the side. She works by referrals only so she does not have any additional advertising needs. Code Enforcement Officer John Gullo stated a 2' x 2' sign is acceptable for a home occupation.

- Motion by Supervisor Meegan, seconded by Councilman Hart, to award the bid for the 2015 Sanitary Sewer Repair Contract to Spanitz Backhoe Service Inc. for a total amount of \$136,970.

On the question, Town Engineer Steven Tanner stated this is an annual emergency repair contract and allows issues to be fixed as they arise in the system. The work involves sanitary sewer repairs as well as storm sewer repairs including sink holes, replacement of pipe sections, water line breaks, hydrant replacement, etc. Mr. Tanner added this is a unit price bid so work is paid for by each job and by hour and will be amended if the cost goes beyond the bid amount.

On the question, Disaster Coordinator John Gullo stated the City of Buffalo will be using this excavator first to break ice downstream. The town will then use it at Harlem Road and Union Road bridges over Buffalo Creek and then at Ridge Road bridge over Cazenovia Creek if needed. Mr. Gullo anticipated beginning use at the end of this week or start of next week depending on the weather.

**ETHICS COMMITTEE RECOMMENDATION**

Dale Clarke questioned the status of the Ethics Committee recommendation. Supervisor Meegan responded Town Attorney John Fenz is putting together a written response for the Town Board's review. Mr. Clarke questioned if there is any conflict of interest on the Planning Board with the upcoming firehall proposal. Supervisor Meegan responded that a Planning Board member can recuse himself if there is a conflict.

**FIRE HYDRANTS**

Dale Clarke suggested the Town Board approach the Erie County Water Authority (ECWA) regarding shoveling fire hydrants, noting that fire districts are paying the ECWA for maintenance on the hydrants so they should be doing the shoveling. Supervisor Meegan suggested the fire companies contact ECWA directly and added that the Town Board will contact ECWA as well.

Motion by Councilman Hart, seconded by Supervisor Meegan, that the Supervisor's office draft a letter to ECWA asking that fire hydrants be shoveled in the winter.

Karen Lucachik questioned a new fire hydrant at 51 Greenmeadow Drive that appeared to no longer be there. Town Engineer Steven Tanner stated he has a copy of the ECWA list of hydrants that were lost during the November storm and Highway Sup't. Matthew English stated he will check on this hydrant tomorrow.

**ISSUES OF THE PUBLIC**

**SENECA STREET DEMOLITION**

Mary Jane Piechocki expressed her concern over the demolition of the building at 2400 Seneca Street that is causing problems with vibration in her home. Councilman Hanley responded he contacted the demolition company and was informed that demolition of the underground footer turned into more of a problem than was anticipated due in part to frozen ground. He will make another contact to find out the status of this project.

**CHILDRENS PSYCHIATRIC CENTER**

Beverly Leising questioned the status of the Children's Psychiatric Center.

Councilman Hart replied that New York State has budgeted to revamp two floors of the downtown site and close the West Seneca site, but he is working with a group that is fighting this move. He feels there is still an opportunity to block it. Councilman Hart added that the Western New York delegation is very supportive of keeping the center open, but the support of the public is needed as well.

Town Attorney John Fenz commented that a bill has been approved in the State Senate and is now going to the Assembly regarding municipality sex offender laws, noting that he is keeping an eye on that to make sure sex offender residency requirements are as stringent as they can be.

**POTENTIAL FLOODING**

Dave Monopolus commented on the importance of following Supervisor Meegan's message to be prepared for potential flooding and thanked Highway Sup't. Matthew English for making sandbags available. Supervisor Meegan added that pumps are in place in the Lexington Green neighborhood as well as throughout the town where there are flooding possibilities.

**SUMMER CAMP FEES**

Karen Lucachik questioned who established the fees for summer camp.

Supervisor Meegan responded the Town Board established the fees based on the recreation director's assessment.

Youth Service Coordinator Lauren Masset stated that fees were raised \$5 for both residents and non-residents to cover a shortage of about \$500 last year.

**ISSUES OF THE PUBLIC**

**SUMMER CAMP FEES** (continued)

Mrs. Lucachik noted that Orchard Park charges \$180 and she thought West Seneca should raise the cost to more than \$105.

Councilman Hart stated that fees will be re-assessed after this summer and may go higher based on demand.

Ms. Masset noted she worked closely with Orchard Park to develop the summer camp program and stated that it took them ten years to break even.

**HIRING PRACTICES IN WEST SENECA**

Karen Lucachik commented on the hiring practices in West Seneca and questioned how long Brian Adams has worked for the town. Highway Sup't. Matthew English responded Mr. Adams has worked for the town for ten years.

Mrs. Lucachik referred to a \$16/hour part-time clerical position for the Town Historian and questioned who determined this rate. Supervisor Meegan replied that this hire was done by Town Historian James Pace and the rate was at his request.

**HOUGHTON PLACE EASEMENTS AND TOWN HALL PARKING LOT**

Karen Lucachik questioned the Houghton Place easements and the parking lot project.

Town Engineer Steven Tanner responded the easements are for the sewer project where they are replacing 18" sewer lines behind the college. This will include some easements along East & West Road where sewers will be replaced. The project is at the Department of Environmental Conservation (DEC) for review now and bidding is anticipated to take place in about a month. With regard to the parking lot project, Mr. Tanner stated a grant was received from DASNY and the project should begin when weather permits. An engineering crew will give a grade layout, widen the Main Street entrance and the parking lot will be milled, resurfaced and restriped. The parking lot area in front of the ice rink and library will not be done due to a lack of funding at this time.

Mrs. Lucachik questioned if offices will be relocated over the ice rink lobby.

Supervisor Meegan responded this is possible in the future. She hopes to find additional funding to raise the roof over the ice rink lobby to match the roofline of the rink and then house all the recreation offices there.

**ISSUES OF THE PUBLIC**

**HOUGHTON PLACE EASEMENTS & TOWN HALL PARKING LOT** (continued)

Dale Clarke questioned if a portion of the Houghton College sewer is being renewed, noting that the Town Board did not initially approve that project because the sewers could not handle it.

Town Engineer Steven Tanner clarified that the work being done behind Houghton College is not part of the Houghton Place sewer system and is being done to take care of flooding that historically takes place in the areas of East & West Road, Rosewood Drive and Azalea Drive.

**SEWER & HIGHWAY DEPARTMENT OVERTIME**

Susan Kims questioned who approves overtime in the Sewer Department. Supervisor Meegan responded the sewer maintenance crew overtime is approved by Town Engineer Steven Tanner for sewer calls.

Johanna Guenther questioned if the Highway Department works two or three shifts.

Highway Sup't. Matthew English responded 98 percent of the employees work 7 to 3:30 pm; however, there are additional employees paid on straight time who patrol the roads during the afternoon and at night. Mr. English added that the overtime callout goes to Highway Department employees first, then the three sewer employees and then Sanitation Department employees.

**HIGHWAY DEPARTMENT BUDGET TRANSFER**

Susan Kims questioned the one-time transfer to the Highway Department and Supervisor Meegan replied this has not been done yet.

**STATUS OF ST. BONAVENTURE PURCHASE**

Susan Kims questioned if the cost analysis on St. Bonaventure was done and Supervisor Meegan responded it is not done yet but the town is well within the time frame.

**UNION CONTRACT NEGOTIATIONS**

Susan Kims questioned if contract negotiations have started and if changes in healthcare contributions and retiree healthcare coverage is something that may be considered in the town's contracts.

**ISSUES OF THE PUBLIC**

**UNION CONTRACT NEGOTIATIONS** (continued)

Supervisor Meegan responded that negotiations have started with the police and the Town Board participates in these negotiations as well as a labor attorney representing the town. Negotiations are ongoing and everything is being looked at, with several things to be considered including higher employee contributions.

**PRESENTATION OF COMMUNICATIONS BY BOARD MEMBERS AND DEPARTMENT HEADS**

**POTENTIAL FLOODING**

Disaster Coordinator John Gullo reminded everyone to be prepared for all types of flooding and elevate possessions in the basement.

Town Engineer Steven Tanner stated that pumps are deployed to all areas they know are issues with additional pumps ready if needed. He further commented they cannot stop flooding, but can help minimize the impact of it.

**SUMMER DAY CAMP REGISTRATION**

Youth Services Coordinator Lauren Masset stated summer day camp is at 40 percent capacity and is filling up quickly, noting that financial aid up to 50 percent is available to those who qualify.

**MASTER PLAN REVIEW COMMITTEE**

Councilman Hart commented the Master Plan Review Committee is going well and the draft should be available online.

**SNOW PLOW ROUTE**

Councilman Hart questioned the town's plow routes and Highway Sup't. Matthew English responded there are 17 plow routes which cover 234 lane miles and it takes 5-6 hours to complete one route.

Parcel B – Beginning in the north line of Lot No. 310, the centerline of Seneca Street, 241.00 feet northwest of its intersection with the east line of Lot No. 310; thence southerly at an angle principally in the westerly quadrants with the centerline of Seneca Street of  $105^{\circ}40'10''$ , 43.77 feet to the principal point of beginning; thence continuing southerly in a straight line, 172.82 feet; thence westerly at an angle principally in the westerly quadrants of  $172^{\circ}12'$ , 50.77 feet; thence southeasterly at an angle principally in the easterly quadrants of  $170^{\circ}07'23''$ , 75.07 feet to the southeast corner of Liber 2380 of Deeds at Page 16; thence westerly at an included angle of  $90^{\circ}9'13''$ , 75.00 feet; thence northerly at an included angle of  $89^{\circ}49'40''$ , 94.10 feet to the northwest corner of Liber 2380 of Deeds at Page 112; thence easterly at an included angle of  $75^{\circ}50'18''$ , 67.24 feet; thence northerly at an exterior angle of  $85^{\circ}20'58''$ , 51.43 feet; thence northwesterly at an exterior angle of  $172^{\circ}34'$ , 173.49 feet to the south line of Seneca Street, as widened; thence southeasterly along the south line, 10.56 feet to the principal point of beginning.

Whereas, this Town Board held a public hearing on the 9<sup>th</sup> day of March 2015 at 7:00 P.M., EDT in the Town Hall, 1250 Union Road, in said town, to consider granting a rezoning for the above-described property; and

Whereas, at such time and place this Town Board did meet to hear any and all persons interested in the subject thereof concerning the same.

Now, therefore, be it resolved, that a rezoning be granted and the same is hereby rezoned from C-1 to C-2; and

Be it further resolved that the Town Clerk is hereby ordered and directed to make such change on the zoning map and to enter a copy of this resolution with the zoning regulations in a book appropriate for its use.

Please take notice that the following change was made in the Zoning Ordinance of the Town of West Seneca, County of Erie and State of New York, and notice thereof is hereby given, pursuant to §264 and 265 of the Town Law.

Whereas, the Town Board of the Town of West Seneca received a request for a rezoning for the following described property located at 245 Northwood Avenue from its classification of R-65 to R-65A for a home occupation (nail salon):

All that tract or parcel of land, situate in the Town of West Seneca, County of Erie and State of New York, being part of Lot No. 310, of the Ebenezer Lands, bounded and described as follows:

Commencing at the point of intersection of the center line of Northwood Avenue with the center line of Terrace Road; thence easterly along the center line of Terrace Road 174.14 feet; thence northerly parallel with the east line of said Lot No. 310 a distance of 150 feet; thence westerly parallel with the center line of Terrace Road 174.14 feet to the center line of Northwood Avenue; thence southerly along the center line of Northwood Avenue 150 feet to the point or place of beginning.

Whereas, this Town Board held a public hearing on the 9<sup>th</sup> day of March 2015 at 7:00 P.M., EDT in the Town Hall, 1250 Union Road, in said town, to consider granting a rezoning for the above-described property; and

Whereas, at such time and place this Town Board did meet to hear any and all persons interested in the subject thereof concerning the same.

Now, therefore, be it resolved, that a rezoning be granted and the same is hereby rezoned from R-65 to R-65A; and

Be it further resolved, that a special permit be granted for a home occupation, conditioned upon 1) the home occupation is only for a nail salon; and 2) the business will take place solely within the existing structures; and

Be it further resolved, that the Town Clerk is hereby ordered and directed to make such change on the zoning map and to enter a copy of this resolution with the zoning regulations in a book appropriate for its use.
