ISSUES OF THE PUBLIC

TOWN PARK COMMEMORATIVE PLAQUES

Vincent Graber commented on the commemorative plaques at the West Seneca Soccer Complex, Harlem Road Park, Sunshine Park and the Burchfield Center that have misinformation and do not properly acknowledge the Town Board members directly involved in the process of developing these parks (i.e. late Jerry Hicks, Christopher Walsh & Barbara Rudnicki). Mr. Graber asked the Town Board to research this information and have these plaques corrected.

Motion by Supervisor Meegan, seconded by Councilman Hart, to research development of the West Seneca Soccer Complex, Harlem Road Park, Sunshine Park and the Burchfield Center and take the necessary steps to correct the commemorative plaques on display to include former council members Christopher Walsh, Barbara Rudnicki and the late Jerry Hicks that were involved in developing these parks.

BUFFALO FENIANS

Amy Carpenter questioned the status of the Buffalo Fenians meeting. Town Attorney John Fenz responded they have reached an agreement in principle and he is in the process of drafting an agreement.

BURCHFIELD CENTER RESTORATION

Amy Carpenter questioned if steps will be added at the Burchfield Center.

Town Engineer Steven Tanner responded he is in the process of getting prices for the steps. He further commented on the comfort station that will include a ramp leading up to it, noting that keeping it on the steel pedestal was effective in keeping it above the flood plain and preventing it from flooding. Restoration should begin shortly.

ISSUES OF THE PUBLIC

TREE ORDINANCE

Amy Carpenter questioned the status of the Tree Ordinance.

Councilman Hart commented on significant changes made to the ordinance based on recommendations from the Environmental Commission tree sub-committee that will have an impact on projects going forward.

Town Attorney John Fenz stated a public hearing will be held at the May 25th Town Board meeting or the first meeting in June.

MASTER PLAN

Amy Carpenter questioned the status of the Master Plan and Councilman Hart stated the next meeting is scheduled for Wednesday, April 29th at 7 P.M. at the Burchfield Center.

QUASAR

Amy Carpenter questioned if Quasar has produced any electricity. Town Engineer Steven Tanner stated he feels they are very close to producing electricity and noted Quasar submitted plans for facility improvements that are permitted by the Department of Environmental Conservation (DEC) and include additional buildings that will require code enforcement review.

ETHICS COMMITTEE DETERMINATION

Amy Carpenter questioned if there will be a determination made based on the recommendation submitted by the Ethics Committee and Supervisor Meegan responded the board members have not had a conversation to discuss the findings.

TOWN LIGHTING

Amy Carpenter referred to a recommendation made for the type of lighting used in town and questioned if there are any plans to pass a law to require use of more energy efficient lighting.

Town Engineer Steven Tanner responded the original performance contract took care of changing to more energy efficient LED bulbs in lights owned by the town, but this consisted of only 15 percent of the town's lights at the time. The town is moving forward to get approval from the Public Utilities Commission to buy the remainder of the lights in town from the various utilities. Once approved, the performance contract will allow for every light to be switched to more energy efficient lighting over the course of the next year.

ISSUES OF THE PUBLIC

CREMATORIUM IN WEST SENECA

Amy Carpenter commented on Union Fire Company's proposal for a new fire hall and questioned if a crematorium is going into the old fire hall location.

Code Enforcement Officer John Gullo responded that a crematorium was proposed for the industrial park and he directed that person to obtain the necessary state approvals prior to proceeding with the town; however, he feels it is unlikely the state will give their approval.

EMERGENCY MANAGER CERTIFICATION

Supervisor Meegan announced that John Gullo received international certification as Emergency Manager.

REGISTERED MUNICIPAL CLERK CERTIFICATION

Supervisor Meegan announced that Town Clerk Jacqueline Felser will be receiving Registered Municipal Clerk certification at the NYS Town Clerks Association conference next week.

GRASS TRUCKS

Highway Superintendent Matthew English stated that grass trucks are starting May 4th and leaves, grass, etc. should be put in returnable containers.

NEW YORK PRIZE GRANT APPLICATION

Town Engineer Steven Tanner commented that Quasar approached the town about a grant application for a state sponsored program called New York Prize. There are three steps involved including a study, followed by initial engineering and finally ten communities are chosen to implement a microgrid that could provide electricity to critical facilities if electricity is out throughout the town. Mr. Tanner explained that a microgrid is a standalone unit that can use excess electricity, in this case produced by Quasar and Solar City, as an alternate power source for critical town services during emergency situations. He feels that even if the grant is not received, it is a good opportunity to partner with these companies to do good things with excess electricity with an emphasis on green energy.

RECREATION PROGRAM UPDATE

Youth Service Coordinator Lauren Masset stated that summer day camp registration is on-going and flyers are going out to the schools this week.

Supervisor Meegan offered the following resolution and moved its adoption, which resolution was declared adopted after a poll of the members of this Board:

RESOLUTION OF THE TOWN BOARD OF THE TOWN OF WEST SENECA, NEW YORK, ADOPTED ON APRIL 20, 2015, CALLING FOR A PUBLIC HEARING TO BE HELD ON MAY 11, 2015, FOR THE INCREASE AND IMPROVEMENT OF FACILITIES OF WATER DISTRICTS 1, 2, 3, 4, 6, 7, 8 AND 9, PURSUANT TO SECTION 202-b OF THE TOWN LAW

Recitals

WHEREAS, the Town Board has undertaken proceedings pursuant to Section 202-b of the Town Law for the joint increase and improvement of water system facilities of Water Districts 1, 2, 3, 4, 6, 7, 8 and 9 (herein called the “Districts”) in the Town of West Seneca (herein called the “Town”), in the County of Erie, New York, in preparation for the eventual conversion to a Direct Service contract with the Erie County Water Authority for the benefit of water system users in the Districts:

WHEREAS, such joint increase and improvement of facilities located throughout the Districts includes construction of improvements to approximately 43,000 linear feet of watermains and the water storage tank located off of East & West Road approximately 1000 feet west of Leydecker Road, and replacement of approximately 55 existing hydrants, all as more particularly described in the map, plan and report dated January 2014 prepared by Clark Patterson Lee, engineers duly licensed by the State of New York (herein called the “Engineer”), as supplemented by letter dated April 17, 2015 from the Engineer, and filed with the Town Clerk of the Town; and

WHEREAS, the estimated cost of the project is \$8,000,000, of which \$400,000 is to be funded from Local Government Efficiency Grant funds expected to be received by the

Town on behalf of the Districts and \$7,600,000 is proposed to be financed through issuance of bonds by the Town of West Seneca on behalf of the Districts; and

WHEREAS, the Town Board, as lead agency, has given due consideration to the impact that the increase and improvement of the facilities of the Districts may have on the environment and the Town has complied in every respect with all applicable federal, state and local laws and regulations regarding environmental matters, including compliance with the New York State Environmental Quality Review Act (“SEQRA”), constituting Article 8 of the Environmental Conservation Law and the applicable documentation thereof has been filed in the office of the Town Clerk; and

WHEREAS, the Town Board has reviewed a Short Environmental Assessment Form prepared and signed by the Town Attorney and by resolution duly adopted on May 12, 2014 has determined that the proposed project is an unlisted action and will not have a significant impact on the environment;

Now, therefore

THE TOWN BOARD OF THE TOWN OF WEST SENECA, IN THE COUNTY OF ERIE, NEW YORK, HEREBY RESOLVES (by the favorable vote of a majority of all the members of said Town Board) AS FOLLOWS:

Section 1. A meeting of the Town Board of the Town shall be held at the Town Hall, 1250 Union Road, West Seneca New York 14224, on the 11th day of May, 2015, at 7:00 o'clock P.M. (Prevailing Time) to consider the increase and improvement of facilities of the Districts, as described in the Recitals hereto, and to hear all persons interested in the subject

thereof, concerning the same and for such other action on the part of the Town Board with relation thereto as may be required by law.

Section 2. The Town Clerk is hereby authorized and directed to publish, or cause to be published, at least once in the "WEST SENECA BEE," a newspaper having a general circulation in the Town and hereby designated as the official newspaper for such publication, and to post on the sign board of the Town maintained pursuant to subdivision 6 of Section 30 of the Town Law, a Notice of such public hearing certified by said Town Clerk, in substantially the form attached hereto as Exhibit A, the first publication thereof and said posting to be not less than ten (10) nor more than twenty (20) days before the date of such public hearing.

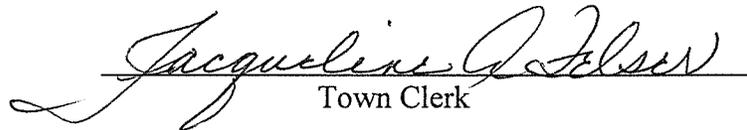

Section 3. This resolution shall take effect immediately.

CERTIFICATE

I, Jacqueline A. Felsner, Town Clerk of the Town of West Seneca, in the County of Erie, New York, DO HEREBY CERTIFY that I have compared the preceding Resolution Calling For a Public Hearing with the original thereof filed in my office on the 20th day of April, 2015, and that the same is a true and correct copy of said original and of the whole thereof.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the corporate seal of said Town on this 21st day of April, 2015.
