On the question, Councilman Hart referred to emails he received concerning this issue. Town Attorney John Fenz responded these concerns were addressed with the head of the Environmental Commission as well as with a National Grid representative. One concern was to get input from the Department of Environmental Conservation (DEC) and the Army Corps of Engineers before going forward and that is recommended. The second concern was onsite mitigation and although this is preferred by the DEC, offsite mitigation is considered better in this case for public safety and overall well-being.

Mrs. Lillis further commented the Code Red system is a great asset for the town.

Highway Superintendent Matthew English commented on the team effort from all departments for this year's event and noted it was well organized by Joan Lillis.

Chief Denz agreed with Mr. English's comments and added the Code Red system was well worth the investment.

HEATHER HILL AND PAMELA COURT

Barb Lipiew asked if the meeting concerning the Heather Hill Drive and Pamela Court reconstruction project is open to all the public. She commented that her street, Reynolds Road, is just as bad and wants to ensure it is taken care of in the spring.

Supervisor Meegan responded it is an open meeting and there are many streets in need of repair, but she agrees with the determination that conditions in the Heather Hill/Pamela Court area require immediate attention.

Jim Pastrick commented on the rough winter and requested the Town Board look at the severe street conditions in his neighborhood, Brianwood Drive. Mr. Pastrick requested a timeline for a solution in this area and when a temporary fix can be expected.

Supervisor Meegan replied this issue exists in so many town neighborhoods and it is not being discounted. The town plans to aggressively identify three capital projects for next year with the Brianwood Drive neighborhood at the top of the list. The surveys and plans for these projects will be done this year so they are ready to begin in the spring.

Highway Superintendent Matthew English stated temporary repairs will be done before winter, although he cannot provide an exact date. Brianwood Drive and neighboring streets are on the top of list for repairs once other milling and paving projects, including Mill Road, are completed.

Amy Carpenter noted potholes in need of repair on Sibley Drive, Woodward Drive, and Woodward Crescent.

BURCHFIELD CENTER COMFORT STATION

Amy Carpenter questioned the status of the stairs and restrooms at the Burchfield Center and if landscaping will be done around the comfort station.

Supervisor Meegan responded the stairs are poured and foundations are installed for cement sidewalks around the perimeter. Railings are expected to arrive next week. Buildings & Grounds will take care of landscaping based on the direction of Carol Yetter of the BNAC.
