Town of West Seneca

**Re: Hilltop Cts.
ECWA Required Resolution for additional Hydrants**

Honorable Board Members,

As part of the 2014 Town of West Seneca road reconstruction project, the watermain along Hilltop Cts. will be updated. As part of the project, a fire hydrant will need to be added. This is in an Erie County Water Authority lease managed area and the Fire District currently pays the Erie County Water Authority a fee of \$160.80 per hydrant, per year for exercising the valves on these hydrants and future hydrant replacement as necessary for their proper maintenance and use. The ECWA requires that when hydrants are added that the Town Board acknowledges their addition through the approval of a resolution. Please consider and approve the below resolution:

"The Town Board of the Town of West Seneca acknowledges the addition of 1 new hydrant along Hilltop Courts as part of the 2014 Town of West Seneca Road Reconstruction Project. Further, the Town acknowledges on behalf of the fire district and resolves to pay for the Hydrant Fee that will be charged by the Erie County Water Authority (ECWA) in the amount of \$160.80 per hydrant, per year in this ECWA Lease Manage Area".

Respectfully submitted,

A handwritten signature in black ink, appearing to read "S. R. Tanner", is written over a horizontal line.

Steven R. Tanner, P.E.
Town Engineer

Re: Hydrant at 98 Hilltop Court

We are in receipt of your letter requesting a placement of a fire hydrant at the above address, after review of area it is felt that this is in the best interest of the residents and the Fire District to have it installed.

Thank you

Commissioner David A. Guarino

A handwritten signature in cursive script that reads "David A. Guarino". The signature is written in dark ink and is positioned below the printed name of the commissioner.
