Assemblyman 142nd District

- 1) The West Seneca Developmental Center is a New York State office for persons with developmental disabilities managed facility for the care of persons with developmental disabilities. In 2011, the facility closed its residential buildings and the property currently houses administrative and maintenance offices. As West Seneca residents do you feel the state of New York has done an adequate job of maintaining this property?

YES NO

Please explain:

- 2) In 2015, the NYS Dormitory Authority transferred approximately 113 acres to the NYS Department of Environmental Conservation private development to preserve public access and protect the ecological integrity of the stream and woodlands. Do you think New York State should create and expand outdoor recreational opportunities at the West Seneca Developmental site?

YES NO

Please explain:

- 3) Should public meetings and workshops be held by New York State to generate conversation and ideas about the best use or disposition of the remaining hundreds of acres at the West Seneca Developmental Center?

YES NO

Please explain:

- 4) The West Seneca Community, advocates, local officials and state officials have fought to save the WNY Children's Psychiatric Center over the last three state budget cycles. It has been communicated that Empire State Development is taking the lead on a request for proposal for West Seneca Developmental Center. Should Empire State Development exclude the seventy one acres of land which house the WNY Children's Psychiatric Center from the requests for proposals?

YES NO

Please explain:

- 5) Should New York State Dormitory Authority transfer ownership to other state agencies to create public access and development opportunities?

YES NO

Please explain:

- 6) What type of development or reuse would you like to see on this property?

- 7) Suggestions, recommendations, concerns or complaints can be made in the space provided below.
