To whom it may concern:

The Town of West Seneca will now be requiring electricians to be licensed within the town. The licensing fees are \$100 for a Master License and \$100 for a Residential License.

If you wish to obtain an electrical license via reciprocity, please include a copy of your current license from the municipality within New York State.

Listed below are the insurance requirements to be included with your returned application.

Insurance certificates must be filed as follows:

1. Certificate of Insurance cover General Liability
2. Certificate of Worker's Compensation
3. Required Disability form

Points of Interest:

1. Inspections require 24 hour notice.
2. The Town of West Seneca has a local ordinance stating that separate exit signs and emergency lighting is a requirement.

We will be scheduling an Electrical Licensing Exam, which will be given in February. If you are aware of any other electricians who are interested in taking the licensing exam, please let our office know. If you have any questions or need further assistance, please do not hesitate to contact our office.

We apologize for any inconvenience this may cause. If you need further assistance, please do not hesitate to contact our Electrical Department directly at 716-558-3221.
