RE: Transfer of Vacant property

Kindly authorize the supervisor to execute any documents necessary to transfer the adjacent vacant land owned the Town of West Seneca to Mr. and Mrs. William D. Faulkner of 5627 Seneca Street, West Seneca. At one time it was anticipated that this land would be used as part of the construction of a water tower in the Town. There are no such plans for that construction. This land is vacant. By transferring the land, it will be returned to the tax rolls.
