**GENERAL INSTRUCTIONS**

You are eligible for a special parking permit or license plates if you are a New York State resident who has one or more severe **disabilities** that impair your **mobility**. See Part 2 of the MV-664.1 (Application for a Parking Permit or License Plates, for Persons With Severe Disabilities) for a description of **qualifying disabilities**.

1) **If you are applying for the parking permit:**

**NOTE: DO NOT SEND YOUR APPLICATION TO THE DEPARTMENT OF MOTOR VEHICLES. DMV does NOT issue parking permits.**

- (a) A parking permit may be issued for either a permanent or temporary disability.
- (b) You **do not** have to be a driver, or the registered owner of a vehicle, to get a parking permit. Children who have a qualifying disability **are** eligible for permits at any age, as are persons who are legally blind. Permits are **issued in the name of the person with the disability**.
- (c) Fill out Part 1 of the application (MV-664.1). Have your physician, podiatrist or nurse practitioner complete Part 2 of the application and **return it to you**. **NOTE:** The need for medical certification may be waived by the issuing agent if you have an obvious, visually-identifiable disability (such as the loss of a leg) **OR** if you **already** have license plates for persons with severe disabilities. Fill out Part 1 of the application and attach a copy of your registration to your application. If you have custom plates for persons with severe disabilities, bring a photo of your plate showing the wheelchair symbol.
- (d) You must take your completed application to the **issuing agent in the area where you live**. Also, if you have a **NYS driver license or an ID card issued by NYS DMV**, bring it with you when you apply for the permit.

**MOST NEW YORK STATE RESIDENTS** - Call your local city, town or village hall to find out where the nearest permit issuing agent is located. **Most city, town or village clerks, and some police departments, issue permits.** Although most agents accept the MV-664.1, some have their own application form, and not all agents issue permits for temporary disabilities.

**NASSAU COUNTY** residents should call (516) 227-7399 (the Nassau County Office of the Physically Challenged) to find out where to apply for a permit.

**NEW YORK CITY** residents must send the MV-664.1 application to the NYC Department of Transportation, 28-11 Queens Plaza North, 8th Floor, Long Island City, NY 11101-4008, or call (718) 433-3100. If you already have plates for persons with severe disabilities, complete Part 1 and attach a copy of your registration. If you have custom plates for persons with severe disabilities, attach a photo of your plate showing the ISA. Please read important information about "PARKING IN NEW YORK CITY" on page 2.

2) **If you are applying for license plates:**

- (a) Your disability **must** be permanent.
- (b) The vehicle on which the special plates will be used must be **registered to the person with the disability**, whether or not that person drives. You must be at least 16 years old to have a vehicle registered in your name.
- (c) Fill out Part 1 of the MV-664.1 application. Have your physician, podiatrist or nurse practitioner complete Part 2 of that application and **return it to you**. **NOTE:** The need for a medical certification may be waived by the Motor Vehicles office if you are permanently disabled and if you have an obvious, visually-identifiable disability (such as the loss of a leg) **OR** if you received a parking permit for the disabled within the past year. Fill out Part 1 of the application and **attach a copy of your permit application** showing the medical certification, or doctor's statement, and bring your permit with you.
- (d) You can **obtain the plates at any Motor Vehicles office**. Bring the completed application with you.
  - If you are registering your vehicle for the first time, you must provide all of the items required for an original registration, including the proof of disability.
  - If you already have plates on your car, bring them with you to exchange them for plates for persons with severe disabilities. You will have to fill out a registration application (MV-82) and pay \$15.00 for the new plates that show the International Symbol of Access (ISA). If this transaction is done at any time other than when you renew the vehicle registration, a \$3.00 transaction fee will be charged.
  - Personalized plates with up to six characters and the ISA are available from DMV's Custom Plates office. Call (518) 402-4838.
