Re: Bid date for replacement of water main on Boncroft Drive

Honorable Town Board,

Please approve setting a bid date of March 10, 2016 at 10:30am for replacement of water main on Boncroft Drive. This is one of the most repaired town owned water mains based on information provided by the Erie County Water Authority, and replacement of the water main will allow us to consider milling and resurfacing Boncroft with future grant funding. If approved, Bid Documents will be available in the Town of West Seneca Clerk's office on February 16, 2016 at 9:00am.

Very Truly yours,

Steven R. Tanner, P.E.
Town Engineer
