WILLIAM P. HANLEY JR.

March 11, 2016

Honorable Town Board
Town of West Seneca

**Re: Award of Capital Project
Boncroft Drive Water Main Replacement**

Honorable Board Members,

Bids for the above referenced project were opened on March 10, 2016. We received a total of 4 bids. The low bidder was E and R General Construction, and the bid tabulation is attached. We've reviewed their bid and spoken with the contractor. E and R successfully completed the sewer main replacement along East and West Road a few years ago. We recommend the Town Board award a contract in the amount of \$226,270.00 to E and R General Construction, 38 Saint Davids Drive, West Seneca NY 14224 and allow Supervisor Meegan to sign the appropriate paperwork.

Very truly yours,

A handwritten signature in black ink, appearing to read 'S. R. Tanner'.

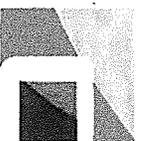

Steven R. Tanner, P.E.
Town Engineer
