Kindly authorize the Supervisor to execute the necessary documents to exercise the Town's option to renew its Agreement with Modern Recycling, Inc., pursuant to paragraph 3 therein, for a period of one (1) year, beginning February 1, 2015, at a rate of \$42.57 per unit, per year.

Please advised that the increase in price is provided for in the Base Agreement and is based upon the most readily available Consumer Price Index (CPI), for November 2014, of .9 percent.

Re: Contract for Collection of Recyclable Materials

Dear Mr. Grieco,

As you may be aware, the current Agreement between the Town of West Seneca and Modern Recycling, Inc. will end on January 31, 2015. The Town has the option to renew this agreement for up to four (4) one (1) year terms. Please advise if the Town is seeking to renew the current Agreement with Modern.

Should the Town exercise the option to renew our Agreement the unit rate for year 2, beginning February 1, 2015 shall be \$42.57 per unit, per year. This rate increase is based on the most readily available Consumer Price Index (CPI) for the Northeast Urban area for November 2014 of .9 percent (enclosed). In addition, please provide the number of units to be serviced as per the Town's verified assessment records.

Please do not hesitate to contact me at 716-405-1204 should you need further information. We look forward to continuing to work with the Town of West Seneca through a renewed contract.

Sincerely,

Joseph M. Hickman
Sales and Municipal Accounts Manager
