RE: Police Garage Expansion

Dear Honorable Town Board:

Kindly approve the expansion project of one additional garage bay to the current Police Garage structure on the Town Hall Campus, located at 1250 Union Rd. The total cost of the project will not exceed twenty five thousand (\$25,000), funds of which I have previously set aside in the Police Department's 2016 Budget.

This project will place the Town in partnership with the Erie One BOCES Construction program curriculum, having students from BOCES complete the construction under the supervision of the BOCES instructors, as well as members of the Town's Building and Grounds Department.

Respectfully,

Daniel M. Denz  
Chief of Police
