**RE:** Swimming Pool Safety Plans – DOH-4472

Dear Honorable Town Board,

Please kindly move to accept the attached Swimming Pool Safety Plans.

New York State Sanitary Code 6-1 requires that swimming pool operators develop, update and implement a written safety plan. This plan must be submitted to your local health department for their review and approval. The plan must include procedures for daily bather supervision, injury prevention, reacting to emergencies, injuries and other incidents, providing first aid and summoning help.

John Fenz (Town Attorney) and John Gullo (Emergency Manager) have reviewed and approved these plans.

Respectfully Submitted,

Lauren Masset  
Youth Service Coordinator
