The Buffalo Tour de Farms 2012 bicycle tour is a celebration of local food and the amazing bounty of WNY. Sponsored by Independent Health, this event benefits the Massachusetts Avenue Project (mass-ave.org) whose mission is to nurture the growth of a diverse and equitable community food system to promote local economic opportunities, access to affordable and nutritious food, and social-change education. This year's Tour de Farms will also benefit our partner GO Bike Buffalo (gobikebuffalo.org)
