Re: Harlem Road (NY 240) culvert

Nickolas Kinderman of the NYSDOT would like to speak to the Town Board and residents at the Monday, February 29, 2016 Town Board meeting.

The NYSDOT is proposing to replace the concrete culvert under Harlem Road adjacent to the Harlem Road Park. This work will require the acquisition of town owned park lands along Harlem Road. They would like to allow the public to offer their comments and concerns with regard to this proposal.
