ISSUES OF THE PUBLIC

COMPREHENSIVE PLAN UPDATE

Nora Mikes presented a letter with her comments on the 2016 Comprehensive Plan update and stated she believes preparation of the update was in violation of the Open Meetings Law.

ROSEWOOD DRIVE PROJECT

Jim Pastrick commented on the Rosewood Drive project which also involves Brianwood, Reynolds and Azalea Drive and expressed concern that the sidewalks that are in disrepair will not be replaced. He noted that bonding is inexpensive right now and referred to other projects completed 3 to 5 years ago that included sidewalks. Mr. Pastrick stated he attended the public information meeting for this project, but was not satisfied with the response he received.

Supervisor Meegan stated because there is no water or sewer issue the town cannot spend public dollars to replace the sidewalks and this is in accordance with municipal law. The Dover Drive project involved sewer issues and the Elmsford Drive project was very involved. Supervisor Meegan further stated repair of sidewalks is the homeowners' responsibility and she offered Senior Code Enforcement Officer John Gullo's assistance in marking damaged sidewalks and notifying homeowners.

ROSEWOOD DRIVE PROJECT (continued)

Councilman Hart stated he and Mr. Gullo are looking at a change to the Town Code where the town could hire a contractor to replace sidewalks and the homeowner could either pay the town directly or have the cost added to their tax bill over the course of a few years.

Nora Mikes stated she attended the informational meeting for the Rosewood Drive project and the discussion was almost exclusively about how bad the sewers are.

Councilman Hart responded that is incorrect and the sewers have been repaired.

Barb Lipiew commented on the damage Silver Maple trees caused her sewers and sidewalks and asked that they be taken down because the roots have lifted and broken the sidewalks and they are not draining correctly. Mrs. Lipiew stated she would like to see the sidewalks sloped and requested those that are broken because of tree roots be replaced.

Supervisor Meegan stated the town will take a look at Mrs. Lipiew's situation.

Highway Supt. Matthew English stated the town does not take down healthy trees, but they recommend the contractor remove the sidewalk, grind the roots down and then place a bio barrier provided by the town on the end of the roots to prevent them from growing back.

Councilman Hanley stated Town Engineer Steven Tanner gave residents the option of marking trees they want taken down during the project.

Supervisor Meegan commented Erie County will be doing a full road reconstruction project next year on East & West Road from Leydecker Road to Orchard Park Road and it will include curbing, sidewalks and bike lanes.

PRESENTATION OF COMMUNICATIONS BY BOARD MEMBERS AND DEPARTMENT HEADS

RECREATION PROGRAM UPDATES

Youth Service Coordinator Lauren Masset reminded the public the summer fun program and swim lessons registration will begin on Friday, April 1st, which is also the deadline for adult softball registration. Monday night co-ed softball is currently full and there is a waiting list. Ms. Masset further stated summer day camp registration is going very well with less than a dozen openings for each week.

VACANCY IN BUILDINGS & GROUNDS DEPARTMENT

Councilman Hanley stated there will be a posting on the town's website to fill the vacancy in the Buildings & Grounds Department. Councilman Hart noted the position should be listed as provisional.
