

## WEST SENECA HISTORICAL COMMISSION

The Town Historical Commission meets at the West Seneca Library Conference Room - 6:30 PM on the first Wednesday of the month.

Chairpersons call to order -  
Attendance - R. Ball, P. Lang, F. D'Amico, S. Accurso  
Absent - J. Pace, D. Schultz

Past meeting minutes read.

R. Ball met with G. Dickson about allocations, planning board, stipends, designations and historic properties. Mr. Dickson would like a letter explaining exactly what the board wants.

Stipends for the board were brought up and a discussion took place.

The board will need training on how to do surveys, grants, and designations on historical properties. Training will probably be at least 4 hours, and we would like to invite Julian Adams as trainer. The zoning and planning boards will be invited for the training session.

Next meeting - October 4, 2023.

Respectfully submitted,

Shirley Accurso
