

12-B PUBLIC COMMENTS ON COMMUNICATIONS

- Two residents spoke against and one resident spoke in favor of Item #3 concerning the purchase of speed bumps.
- A resident referred to Item #1 concerning appointment of Amy Kobler as Secretary to the Ethics Board and questioned if she will receive a stipend. Supervisor Meegan responded Mrs. Kobler is a full-time employee and will receive overtime.
- A resident questioned the following payments in the warrant: 1) Notary renewal fee for Kristin Sandel – Is she available to notarize documents for the public; and 2) Time Warner Cable and Level 3 Communications. Supervisor Meegan responded that Mrs. Sandel works in the Police Department where there are numerous documents that need to be notarized. The Town Clerk’s office has three people available to notarize documents for the public. Payments for Time Warner Cable cover town buildings and parks and Level 3 Communications is phone service.

ISSUES OF THE PUBLIC

- A Bellwood Avenue resident commented on the need for a basketball court in her neighborhood, expressed opposition to renting Tim Russert Park to South Buffalo Rugby and presented pictures of poor conditions at Dirkson Avenue Park. Councilman Hanley commented on vandalism that occurred at Harlem Road Park and Dorrance Avenue Park, noting the rims and backboards were taken off the posts of the basketball court. Councilman Hart stated he had the unsafe conditions removed at Dirkson Avenue Park and they will now begin the process of making it safe and replacing equipment. Highway Sup't. Matthew English stated he received calls from residents who are against a basketball court.
- A Burch Avenue resident referred to grant money received to update playgrounds and understood Tim Russert Park was at the top of the list. Supervisor Meegan responded when the money is received from Senator Gallivan's office it will be used to purchase park equipment and making all parks ADA compliant is a priority.
- A Mill Road resident commented on the cost of speed humps and suggested concrete barriers instead. A Covington Drive resident commented on speed humps being built into the road. Councilman Hanley responded a speed hump is lower and wider than a speed bump and does not have to be built into the road. The \$2500 cost is for one set of speed humps and signage.
- James Manley of the West Seneca Veterans Committee commented on reinstallation of the bricks in the veterans Walkway of Freedom and the need to find a place for the Vietnam Memorial that is currently in storage and Korean War Memorial that the town will receive in August. Highway Sup't. Matthew English stated Stone Art Memorial needs to be contacted to move the memorials when they determine where they will be located.
- A Covington Drive resident suggested using Community Development Block Grant funds for repairs to low income homes. Supervisor Meegan advised Community Development Block Grant funds cannot be used for that purpose; the funds are used for road repair and in the past for upgrades at the senior center.
- A Covington Drive resident commented on Town Board meetings scheduled at 3 P.M. during the summer. Councilman Hanley responded the Town Board schedule will be mixed between afternoon and evening meetings.
- A Covington Drive resident referred to a previous question about a sidewalk replacement that was done by the town. Highway Sup't. Matthew English responded the Town Code was amended in 2001 and town residents were made responsible for replacing their own sidewalks. The list that predated the amendment was finally caught up in 2014, so it is possible the replacement may have been from that list. Mr. English stated the town could replace a sidewalk if there is a tree in the sewer, a manhole cover in the sidewalk or if it is due to a bad batch of limestone. He will check on the address in question.
- A Union Road resident suggested adopting a financial disclosure policy for town officials.
- A Union Road resident referred to the order of legislation in the Town Code. Town Attorney John Fenz explained the missing numbers in the code is in anticipation of upcoming chapters.
- A resident suggested live streaming meetings. Supervisor Meegan announced the next Town Board meeting will be live streamed on You Tube, Facebook and Periscope TV.

PRESENTATION OF COMMUNICATIONS BY BOARD MEMBERS AND DEPARTMENT HEADS
