Request of Carmina Wood Morris for a variance for property located at 1042 Orchard Park Road to reduce lot area to 17,000 sf (18,000 sf required) with 5' side yard setback (25' required)

Chris Wood of Carmina Wood Morris stated the proposal is for a 3-unit townhouse building on .36 acres. The site was rezoned at the October 8, 2020 Planning Board meeting with the recommendation of 3-units. This project went before the Town Board on November 9, 2020 where rezoning was granted from R-75 to R-50(S). The request is for a variance for a 5' side yard setback on the town side to the north and a reduction in density.

Chairman Elling stated he was in receipt of neighbor letters with no objection from 1048, 1001, 1077, 987, 1063, 1004, and 1021 Orchard Park Road. The NYSDOT has provided correspondence with the condition the driveway to Orchard Park Road should be re-designed to be a single 2-way driveway rather than the proposed split driveway. Mr. Wood replied that is not an issue.

Motion by Elling, seconded by Kapuscinski, to close the public hearing and grant a variance for property located at 1042 Orchard Park Road to reduce lot area to 17,000 sf with 5' side yard setback with the following condition: the driveway to Orchard Park Road should be re-designed to be a single 2-way driveway rather than the proposed split driveway.

Request of Dana Andrzejewski for a variance for property located at 109 Norwood Drive to erect a 6' privacy fence on front and side yard on corner lot with 4' projection (4' maximum height allowed – no projection allowed)

Ms. Andrzejewski stated the existing fence is destroying shrubs and a 6' fence is preferred for privacy and to curtail deer in the yard.

Chairman Elling stated he was in receipt of neighbor letters with no objection from 96, 104 Norwood Drive and 53, 56, 59, and 69 Klink Place.

Code Enforcement Officer Doug Busse stated the previous fence was at the corner of house to the street approximately 10'. The applicant is seeking a projection of only 4' from the house. The property line would be 10' off the house.

Motion by Hicks, seconded by Greenan, to close the public hearing and grant a variance for property located at 109 Norwood Drive to erect a 6' privacy fence on front and side yard on corner lot with 4' projection off the corner of the house, 6' off the property line.
