Date: February 7, 2022  
Re: Town of West Seneca Courtroom Audio System Grant

The Town Court received a grant for the installation of an audio system for the courtroom from the Justice Court Assistance Program. Three quotes were received and viewed by the Court. Ronco Specialized Systems, Inc. provided the more thorough and responsive proposal which was within the grant requirements and which was pursuant to state piggyback quotes. The requirements under the Town's procurement policy have been met taking into consideration the State grant.
