RE: Approval to Purchase Livescan Equipment

Dear Honorable Town Board:

I respectfully request your approval for the purchase of Livescan equipment with the partial cost to be covered through the New York State Livescan Equipment Program 2022, in the amount of \$10,455.00. The total amount of the purchase will be \$14,691.99. We have sufficient fund in line 1.3120.0200 to cover the difference (\$3786.79) as required by the grant. The equipment is used to process arrestees and includes fingerprint scanner, camera, signature pad, and supporting computer equipment and software. The upgraded equipment is required due to a change at the County and State level for the input of this information.

The Livescan equipment is being purchased from Brite Computers in Victor, NY per Erie County Bid #220295-002 as a sole source provider for the package for all of the equipment and software needed.

Respectfully,

A handwritten signature in black ink, appearing to read "Edward A. Baker".
