RE: Stormwater Conference

Dear Honorable Town Board Members:

The Engineering Department is requesting your approval to attend the Western New York Stormwater Conference & Tradeshow on March 22, 2022 at the Buffalo Niagara Convention Center. This will be attended by Ron Pfeil and Eric Labrie. The \$90.00 per person fee was paid for in 2020, but the event was cancelled due to the pandemic.

The conference will include professionals speaking on topics related to green infrastructure, stormwater management and MS4 program implementation. The latest technologies in stormwater management, equipment and design will be displayed by exhibitors.

Thank you for your consideration.
