

TOWN OF WEST SENECA

BRIAN J. ADAMS
SUPERINTENDENT OF
HIGHWAY DEPARTMENT

TO: The Honorable Town Board
FROM: Brian Adams
DATE: April 18, 2022
RE: **Used Truck Purchase-Fleet Maintenance**

Dear Honorable Town Board Members:

Please authorize the Highway Superintendent to make an emergency purchase for a used 2011 Mack Granite day cab truck from Fleet Maintenance for \$45,000.00. This truck will be replacing our current truck - a 1988 Freightliner that is no longer in use due to recent engine failure. After evaluation, it is not feasible to repair this truck given the year, condition, and cost to replace the engine. A replacement truck is critical as it is used to haul heavy equipment such as asphalt rollers and excavators to various jobsites throughout the town. Funds are available in the highway equipment line 2.5110.0200. Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Brian Adams'.

Brian Adams
