Part-Time Seasonal status allows a part-time employee to work up to 35 hours per week for up to 20 weeks per year.

The department begin recruiting for Summer 2022 employment in December 2021. The department hired all applicants who applied between December 2021 – May 16, 2022, who responded to the department’s canvas for interest. Recruitment efforts included holding a job fair, offering competitive wages, offering a summer bonus, social media posts, canvassing previous employees, distributing our jobs posts to over 150+ organizations, schools, groups, etc. and more.

Due to the lack of applicants the Large Pool will operate under a limited schedule for the 2022 season.
