Dear Michael Kopansky:

Notice of Incomplete Application

New Gardenville Substation Rebuild Project

DEC ID# 9-1468-00255

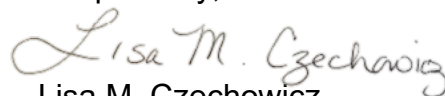

Town of West Seneca, Erie County

Your permit application for the above-referenced project has been received and reviewed by Department staff. The application has been determined to be incomplete and the following items must be addressed.

The Fisher Associates wetland delineation completed circa 2018/2019 was never verified by Department staff. Please provide a copy of the Fisher Associates delineation report. Additionally, please complete and submit the attached Request for Freshwater Wetlands Delineation, Verification or Determination Form. Finally, please submit the shapefiles from the delineation. The shapefiles can be emailed directly to wetland biologist Angela Driscoll at angela.driscoll@dec.ny.gov.

There may be additional technical comments on the application after the site is inspected to verify the delineation. Please contact me at 716/851-7165 or lisa.czechowicz@dec.ny.gov if you have any questions regarding this letter or the permitting process. Please contact Angela Driscoll at 716/851-7010 at her email above with any technical wetland questions.

Respectfully,

Lisa M. Czechowicz

Deputy Regional Permit Administrator
