Disclaimer: The EAF Mapper is a screening tool intended to assist project sponsors and reviewing agencies in preparing an environmental assessment form (EAF). Not all questions asked in the EAF are answered by the EAF Mapper. Additional information on any EAF question can be obtained by consulting the EAF Workbooks. Although the EAF Mapper provides the most up-to-date digital data available to DEC, you may also need to contact local or other data sources in order to obtain data not provided by the Mapper. Digital data is not a substitute for agency determinations.

Re: DEC
Proposed Subdivision, Reserve Road & Westgate Boulevard
Town of West Seneca, Erie County, NY

Dear Mr. Dean:

Thank you for requesting the comments of the Division for Historic Preservation of the Office of Parks, Recreation and Historic Preservation (OPRHP). We have reviewed the *Phase IA/IB Cultural Resource Investigation Report*, prepared by Heritage Preservation & Interpretation and dated July 2017, in accordance with the New York State Historic Preservation Act of 1980 (section 14.09 of the New York Parks, Recreation and Historic Preservation Law). These comments are those of the Division for Historic Preservation and relate only to Historic/Cultural resources.

Based on this review, it is the OPRHP's opinion that the Reserve Road Historic Site (02925.000456) is not eligible for the National Register of Historic Places given the significant level of ground disturbance noted at this site. Therefore, the OPHRP recommends that this project will have **No Impact** upon cultural resources in or eligible for inclusion in the State and National Register of Historic Places. This recommendation pertains only to the Project Area examined during the above-referenced investigation. It is not applicable to any other portion of the project property. Should the project design be changed OPRHP recommends further consultation with this office.

If you have any questions, I can be reached at (518) 268-2179.

Sincerely,

Nancy Herter
