

TOWN OF WEST SENECA TOWN BOARD
MEETING POLICY ON PUBLIC COMMENT ON COMMUNICATIONS

Public Comment on Communications is offered at the beginning of Town Board meetings as an opportunity for individuals to provide comments and input to the Town Board prior to voting on any Communications. Speakers must approach the dais, announce the numbered communication they wish to address and address only that item. Speakers have up to two minutes to provide their comments to the Town Board, subject to modification depending upon time constraints of a particular meeting. Comments should be directed to the Town Board. Respectful discourse is required.
