The playground is pending installation in Spring 2023.
2. Members attended National Night Out, West Seneca Farmers Market and On Your Way to K to collect responses to their survey. Results are pending the Commission reviewing and drafting a report.
3. Members volunteered at the Recreation departments Halloween event.
4. The Commission discussed factors surrounding the Veterans Park Large pool and its status.
5. The Commission discussed the idea of holding their own Recreation events and programs. These events would be planned, executed, and staffed by voting Recreation Commission members without Town staff.
6. The Commission reviewed the Recreation Departments employee handbook. Suggestions were sent to HR.
