March 5, 2019

Honorable Town Board
Town of West Seneca

Honorable Board Members,

Please authorize the Town Clerk to advertise for bidding for phase 5 sewer improvements to the Town's sanitary sewer system. The phase 5 area includes portions of Seneca Street from Main to Transit as well as a portion of Transit and some small subdivisions that branch off Seneca Street. Drawings and specifications would be made available starting March 12th and we request a bid opening date of April 2nd at 10:00am. The phase 5 sewer improvements will be paid for in part by Water infrastructure grants and Water quality improvement grants with the remainder of the funding coming from a portion the Town's 2012 remaining sewer bond money. The phase 5 sewer area is required to be completed by the end of 2019 to satisfy NYSDEC's review comments on this project.

Very truly yours,

Steven R. Tanner, P.E.
