Re: Bid Opening – West Seneca Animal Shelter Improvements

Honorable Board Members,

Bids were received earlier today for the above referenced project. A total of 2 bids were received. The bids were \$168,295 from CAMCO and \$154,000 from MGR Constructors. We reviewed MGR Constructors bid and discussed it with them. We also reviewed their references and are comfortable with their ability to successfully complete this work. The \$154,000 bid includes a \$10,000 contingency allowance that may or may not be necessary once they tear off the old roofing materials. It is our recommendation that the Town award a contract in the amount of \$154,000 to MGR Constructors, Inc. P.O. Box 61, Bowmansville NY 14026.

It is our understanding that much of this work will be covered by a grant from the NYS Department of Agriculture. The contractor has also indicated that they will meet the M/WBE requirements associated with the grant.

Very truly yours,
