RE: Dispatch Radio Emergency Repair

Dear Honorable Town Board:

I respectfully request your approval for an emergency repair to our main police radio equipment that links with our communications tower. The equipment is failing and the system can go down at any time, causing us to completely lose all radio communications. The cost of the repair is nine thousand eight hundred nineteen dollars, (\$9,819.00). The funds will be allocated from the 2019 budget through the Dispatch Equipment line 01312000.50211.

The repair work will be managed by FM Communications, Inc., who is the sole source provider of the needed equipment for the radio system.

Respectfully,

Daniel M. Denz
Chief of Police
