Mrs. Amy Carpenter  
Chairman of Town Ethics Board

Mr. Hanley and Mrs. Carpenter,

I regret to inform you that I will be, by virtue of this letter, resigning from my position as a Board Member on the Town of West Seneca Ethics Board effective November 19, 2019.

I am resigning do to a conflict of interest with my new appointment to the Town of West Seneca Town Council, which will go into effect January 1, 2020.

I am very thankful for the appointment to the Ethic Board (August 23, 2018) and have enjoyed the experience and have gained a whole new respect for the Board members that have volunteered countless hours at meetings and on research material, solely for the benefit of the Town of West Seneca and its' residents. The current makeup of the Board, under the direction of Amy Carpenter, is a textbook example of a diverse and congenial board whose sole purpose is for the betterment of the Town of West Seneca and the community. I wish the board only the best in your future experiences and I am truly proud of the accomplishments of the Ethics Board over the past year and a half.

Respectfully,

William J. Bauer
