

Supervisor Gary Dickson called the meeting to order at 6:00 P.M. with the Pledge of Allegiance led by Supervisor Dickson.

ROLL CALL:	Present -	Gary Dickson	Supervisor
		William Bauer	Councilman
		Joseph J. Cantafio	Councilman
		William P. Hanley, Jr.	Councilman
		Jeff Piekarec	Councilman
Absent-	None		

1. Motion by Councilman Hanley, seconded by Councilman Bauer, to appoint Tina Hawthorne as Town Attorney for a two-year term set pursuant to Town Law §24 at an annual salary of \$71,750 effective January 1, 2020, and authorize the Supervisor to complete and sign the necessary forms for Erie County Personnel.

On the question, Supervisor Dickson stated although Ms. Hawthorne is a very capable family law attorney, he was hoping to find a candidate with more municipal law experience; unfortunately the candidates Supervisor Dickson spoke with did not reside in West Seneca. In the course of discussions it was clear the majority of the Town Board did not agree with the decision. Ms. Hawthorne and Supervisor Dickson have had conversations regarding the impartiality of the Town Attorney and not being a participant in partisan campaigns - the Town Attorney represents the entire Town Board and Supervisor Dickson is sure Ms. Hawthorne will do as such.

6. Motion by Supervisor Dickson seconded by Councilman Hanley, that Clark, Patterson and Lee be hired as the provider of Engineering Services to the Town at a cost not to exceed \$125,000.00 per year.

On the question, Councilman Bauer stated he is opposed to the format of the payment being a lump sum figure and would like the format of the payment to be in a purchase order format with an allowance for up to \$75,000 in payments to be made during the year 2020. A purchase order should be written on an hourly unit price basis for each service provided, approved by the town and invoiced monthly. A written quotation should be requested for hourly services by the pay scale and incorporated into the purchase order.

Councilman Piekarec expressed his concerns regarding the town being with Clark, Patterson and Lee for the past six years; being a new Town Board, there was not a practical way to bid this service.

Supervisor Dickson stated he believes all the contracts with the town should be examined and rebid if necessary - there was simply not enough time to conduct a formal Request for Proposal.

Councilman Hanley stated currently there is a professional services agreement with Clark Patterson and Lee that guarantees the company \$75,000 capped at \$125,000 per year; anything beyond \$125,000 would need an agreement and Town Board approval to exceed the amount. This contract is for normal engineering services and anything beyond (i.e. pipe breaking in Cazenovia Creek) is extra and not part of engineering services and would come out of the \$50,000 contingency budget.

(continued)

Director of Finance Director Megan Wnek explained the invoices submitted by Clark, Patterson and Lee are broken down in an hourly basis.

Motion by Councilman Bauer, seconded by Councilman Piekarec to amend the motion to include the format of the payment be in a purchase order format with an allowance for up to \$75,000 in payments to be made during the year 2020; a purchase order should be written on an hourly unit price basis for each service provided, approved by the town and invoiced monthly; and a written quotation should be requested for hourly services by the pay scale and incorporated into the purchase order.

38. Motion by Supervisor Dickson, seconded by Councilman Cantafio, that the following titles of Town Department Heads, elected or appointed officials, and certain other full-time employees not covered by contract provisions between the Town and Blue and White Collar, CSEA or the West Seneca PBA be granted extended benefits including Blue Shield or equivalent plan costs, as well as all other health and welfare fund related benefits in accordance with the CSEA White Collar Contract or equivalent with the exception of the Chief of Police and Assistant Chief of Police, who are granted benefits pursuant to the contract with the West Seneca PBA. These will include the following: Supervisor, Town Clerk, Highway Superintendent, (2) Town Justices, Town Attorney, Secretary to Supervisor, (2) Clerks to Town Justices, Secretary to Highway Superintendent, Director of Finance, Chief of Police, and Assistant Chief of Police.

On the question, Councilman Hanley stated the Supervisor hasn't been included in this motion in many years and he believed the last Supervisor to receive health insurance was former Supervisor Paul Clark. Supervisor benefits have not been budgeted for this year; although he is in agreement with the motion, the Supervisor should be removed.

Councilman Bauer stated the Supervisor position did not have healthcare benefits for the past eight years; the approved budget for 2020 does not have finances allocated for this additional cost. The cost of the additional health care benefit to the Town of West Seneca would be over \$25,000 per year, equivalent to a wage increase to the Supervisor to over 38%, only two days into office. Councilman Bauer further stated he is in opposition of the Supervisor receiving the benefits.

Councilman Cantafio stated he understands the budget concerns of Councilman Hanley and Councilman Bauer; however, he believes full time employees deserve quality health care.

Councilman Piekarec stated adding the benefit may attract more people to the position in the future.

(continued)

Supervisor Dickson responded the former Supervisor was given the opportunity to receive the benefits and the wording was taken out approximately two years into her term. Although she did not receive benefits at that time, she picked the in-lieu-of option under the white collar contract. Supervisor Piotrowski, Supervisor Clark, surrounding Town Supervisors and every full time employee receives health insurance. If we want to attract people to run in the future, every full time employee should be treated the same. The former Supervisor was covered by her husband being an employee of the town. Per the contract only one person may receive the benefits.

Councilman Hanley stated he is not here to debate the former Supervisor; she did not receive the benefit or the stipend. The stipend was removed while Councilman Rusinski was on the Town Board. The former Supervisor received benefits the same as if she would have been a stay at home mom through her husband and she never took the stipend. There is not \$28,000 budgeted for Supervisor benefits this year.

Supervisor Dickson replied as per the minutes from 2013 Supervisor Meegan did receive the benefits. To not give the benefits to a full time employee who does not have a spouse working for the town would be a first time occurrence.

Further, that no town-owned vehicle, except Police Department vehicles, be left running, at any location for any reason; and further, that all town vehicles of various department heads, except police and highway, be left at the Town Hall for general use while individuals are on vacation, or any extended time off.

On the question, Supervisor Dickson inquired if the logs exist.

Highway Superintendent Brian Adams replied there are not set paper logs; logs are tracked through computers and gas pumps. An employee enters their employee number, mileage and vehicle number every time they get fuel. There are daily work order that state what truck is at which job site; to track stop to stop is almost impossible.

Supervisor Dickson stated through his conversations with other departments these logs do not exist; the motions were copied from the previous year.
