"PROUD PAST - UNLIMITED FUTURE"

Assessors office February 2020

1. We are continuing to collect the low income senior citizen, disability and veteran's exemptions until the March 1 deadline.
2. Approx 250 Senior, 20 disability and 200 Vets outstanding
3. Any senior citizens that have received the letter from Albany that states "do not take to your local Assessor" need to be filled out and mailed back to Albany ASAP. These forms are not a fraud and will result in removal from the STAR program if not returned. Any questions on what is needed should be directed to the Albany number on the form as we have no info on this. These are the result of The State taking over the STAR program in 2015/2016.
