Dear Chief Denz,

Since July 26, 1987 it has been an honor and privilege to work for the West Seneca Police Department and serve our great community. However with a note of excitement and sadness I would like to announce my retirement. I plan on being on the books until January 27, 2018 with my first official day of retirement set for January 28, 2018. It has been a long and at times exhausting search to find the right time to leave. However, I feel confident now and ready to move on to the next chapter in my life.

Chief I would like to personally thank you for the opportunity to work with the Drug Enforcement Administration these past four and half years. The experience I gathered while working in the federal system was a time I will never forget. I would be remiss if I did not include our time together when I served as PBA President. It was a pleasure to work with you on all matters (whether bitches or grievances) of concern for all the membership.

Once again thank you for everything, stay safe, stay committed to citizens of West Seneca but mostly continue on as you always have!

Respectfully submitted and in friendship,

Robert A. Bebak
