Dear Chief Denz,

I would like to take this time to thank you for giving me the opportunity to become a public safety dispatcher. After our conversation on 1/8/18, and many hours of soul searching, I do not think this is the job for me. I originally wanted to help my community with volunteer work, possibly through CERT. Then I was offered this opportunity and I thought that it would be a great way to help the community with my EMS/Fire knowledge. After experiencing the job for the last few months, I have learned that it is more than I expected and requires more time than I can give at this time. I would like to thank everyone that have been training me; they have all been so kind.

Sincerely Yours,
