Dear Mr. Schieber,

On behalf of Mighty Taco, Inc., Zaxis Architectural, PC (Zaxis) is submitting for approval of a special use permit application to the Town Planning Board and Town Board for a Mighty Taco restaurant located at 2884 Ridge Road, to sell alcoholic beverages under a beer and wine license.

Mighty Taco is in the process of modifying their menu throughout Western New York and wishes to include the sales of alcohol allowed under a beer and wine license for consumption within the existing dining room only. No sales of alcohol will occur for take-out service, exterior patio consumption, drive-thru or mobile pick-up (such as UberEATS or DoorDash).

The current dining room hours of operation for this location are:

10am – midnight	Mon – Sat
11am – midnight	Sun

The majority of sales are through the drive-thru window, leaving the dining rooms underutilized. Mighty Taco desires to take advantage of this situation, adopt a new market segment and increase the company revenue. There will be a benefit to the community where patronage increases, we anticipate the number of employees will also increase.

We trust the submission is complete, for your review and approval of the special use permit. Please contact our office if you have any questions.

Respectfully submitted,

ZAXIS ARCHITECTURAL, PC
