Good Afternoon,

I am requesting a permit to have a 5 foot wooden privacy fence put upon my property. The fence would be at the front of my house and along the side. I only have the side door that we use to let the dogs in/out so we need the fence to be installed at the front of the house to serve its purpose.

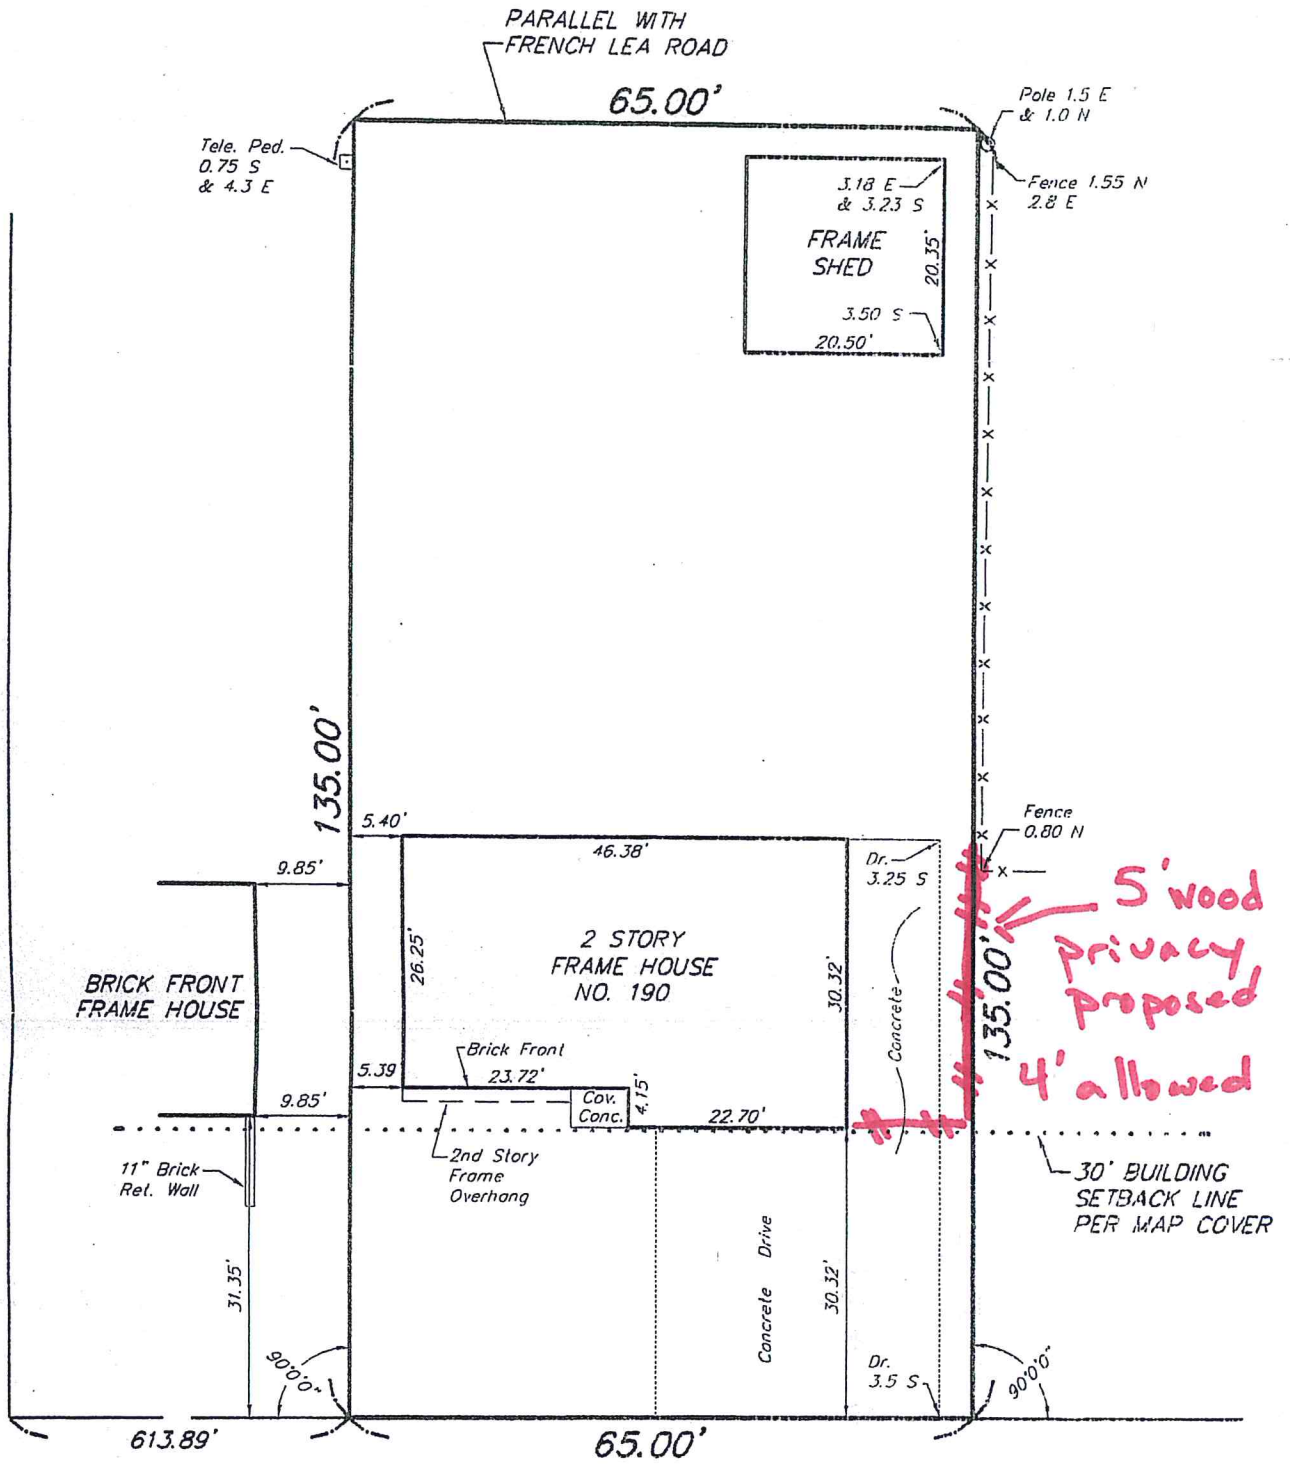

We have lived at this location for 19 years and recently the foot traffic, dog walkers, joggers ect.. have increased tremendously. I am seeking more privacy than my current chain link fence provides. It will definitely make for a more peaceful environment for my family.

Thank You,
