Town Board Meeting Updates

Office Updates:

- The office has been up operating at full staff for the past few months
- There is an overwhelming amount of construction taking place at both commercial and residential properties.
- We have been involved with assisting restaurants to create a policy for re-opening
- We are now assisting the local gym to determine occupancy to help them in their re-opening efforts
-

Large Scale Construction Projects underway:

- 299 Leydecker Rd – residential housing
- 2730 Transit Rd – residential town home project
- Queens Landing Subdivision – start subdivision infrastructure
- Raine logistics – Industrial Park project
- 1220 Southwestern Blvd – 3 building apartment complex

Planning Board:

- There are 2 projects scheduled for the September Planning Board meeting
- A battery storage facility located at 799 Indian Church Rd
- A residential rezone request
