Re: Equipment Purchase/Trade-in of Equipment

Dear Honorable Board Members;

Please authorize the Highway Superintendent to purchase the following equipment from George and Swede Sales and Service

New 2020 Hyundai HL940 Wheel Loader-Sourcewell under Contract # 032119-HCE for the amount of \$134,575.00. My plan is to trade in our old Hyundai loader although it needs work; this loader still holds a decent amount of value. I think it is imperative that we continue to replace our equipment before becoming counterproductive by spending too much time and money on maintenance ultimately carrying less value. Please authorize the trade in to George and Swede Sales and Service of the following piece of equipment:

Vehicle#	Plate#	Year/Make	Vin#	Net Trade
1053	AK9822	2013 Hyundai	HLM01ED0000604	\$60,000.00

With the trade in the total amount of this purchase will be \$74,575.00. If approved, funds will be available in budget line 029950.975.1.

Sincerely,

Brian Adams

Superintendent of Highways
